NARRATIVE:

Christopher Cavender has an extensive adult criminal history that began at the age of 20. His convictions include exhibiting a deadly weapon, possession of controlled substances, theft, receiving stolen property, petty theft, battery, carrying a concealed dirk/dagger, robbery, burglary and shoplifting. He has served multiple incarcerations, the longest being a 32 month term for burglary. Cavender was released from state prison to the supervision of the Los Angeles County Probation Department on October 30, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2016 after he absconded from post release community supervision (PRCS). Cavender qualified to be released to the supervision of probation, under AB 109, because his current commitment offenses for burglary is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
